Typical football weather and good proceedings should be the salient features of the 1919 football season when Kendall college and the Oklahoma Baptists' university eleven meet at McMurtry Field Saturday afternoon at 3:30 o'clock. Presenting a veteran eleven with several familiar sounding names from youth football days of the Presbyterians last night expressed himself as satisfied with the condition of his squad, but made no prediction regarding the outcome, saying, "I am not using a majority of my veterans and numerous new men have joined the team." Last night he said, "I am going to make a good eleven, I think, and though a hard game may result Kendall followers are predicting victory."

While stiff opposition is expected from the Baptists, Schmidt will probably have all opportunity of using a majority of his veterans in the game and there will be no all-out material. Two elevens are available for use and providing the Shawnee collegians do not develop greater strength than expected, all will be used today.

Nine-letter, eight of the 1918 all-veterans eleven will start the game, Captain John Bell, Lee, DeWeese, Winslow, Wallace, Capern and J. Young were the orange and black that year. Ben Springer was star halfback of the 1917 team. Hall was star on the Claremore High school eleven last year and was considered one of the state's greatest middle-distance backs. Snyder is a new man who has shown exceptionally well in practice, while Jollie, another first-year man, has shown more than ordinary ability and DeWeese will be alternated at left tackle. R. Young played with Kendall two years ago.

Robertson and Williams, ends; Robertson, guard; Herndon and Williams, center; and Witty, center, are linemen who will probably get a chance today. All are new. Balem, quarterback and Kick, fullback, playing their first season in Kendall football and Miller, member of the 1918 eleven, will be available for back field use. Hoppe, one of the year stars, and Quigley, another, this year suffered an injury to his knee in the opening Thursday which will keep him out of today's game. Hoblins, the greatest college sport may be gathered from the information at stake, 96 men reporting to Coach Al Sharpe for plates on the variety eleven.

Season tickets were placed on sale yesterday. The price of tickets this year is \$1 for six games, including the Texas Aggies and Thanksgiving contests. It is also probable that the scheduled football and Thanksgiving contests will be held on Thanksgiving day.

Officials for today's game are: Bambu, Kansas university, referee; Bremmerman, Illinois, umpire, and Rau, head linesman.
